

The Co-op

This level makes light work of web design, app builds and anything technical. There's no shortage of skills here... or groundbreaking ideas. Grab a seat, park yourself at a standing desk or simply make s#!t happen in your own dedicated office with room to spread out.

L3

Perfect for UX, UI, IT, established start-ups and those looking to build their big ideas.

Exclusive Features

- Plenty of Breakout space
- Vending machine
- Large offices
